Senior **Ashlee

Mr. Armbruster

Senior **Tessa Larimer** studies
physics while senior **Nathan

Sophomore **Olivia Horan**
does a physics problem on
the board.

Mr. Armbruster and senior
Conner Cates solve a
chemistry problem together.

The AP Biology and Geology classes took a field trip to Salt Creek Ranch. The classes rode horses through the forest trails. The purpose of the this field trip was to see and explore the different types of plants and how they came to be in the forest.

FUNNY STORY-The physics class was studying waves and sounds. It was a hot day so the classroom's windows were open. The class heard the orchestra playing their instruments. To make a sound of his own, **Mr. Armbruster** blew out the window with a new instrument: test tubes. The noise stopped the whole orchestra and made **Ms. Wampler** come over and give a dirty look. She wasn't too thrilled.

Business Foundations

Say Cheese! After the Business Foundations etiquette luncheon at the Batesville Casket Headquarters, the class poses for a picture with Kim Dennis and Anthony Casablanca, who hosted the luncheon.

[1] Batesville Casket Company's CEO, Kim Dennis, educates students on proper business etiquette and conversation.

[2] At the other table, Anthony Casablanca educates the rascals on table manners, ordering tactics, and other useful information. [3] Students listen intently to what Mr. Casablanca has to say.

[4] Marcia Barnes, President and CEO of Defender Direct gives an inspiring speech to the fifth period Business Foundations class about her career and how she became who she is today.

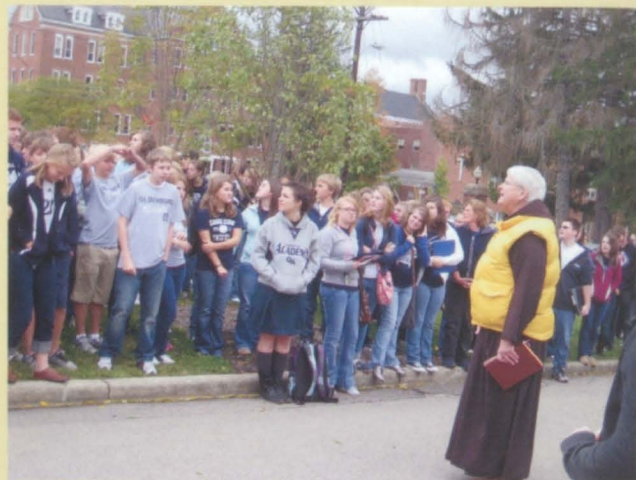

What happened at OA?

A huge addition to the Oldenburg curriculum this year was the donation of iPads, which every student received at the beginning of the year. This innovative technology was incorporated along with everyday textbooks. The students also loved them, as the iPads were entertaining tools.

The religion classes spent many hours preparing for the arrival of Sister Helen Prejean by discussing the death penalty and watching the movie, *Dead Man Walking*, based on her bestselling book. She came to share her experiences of ministering on death row with the students, as well as her thoughts on why the law should be abolished.

This year, Oldenburg students and faculty enjoyed the fruits of last year's Walkathon labors. The money raised was put towards a new minibus, to be used for sports games and field trips. This minibus was unveiled to the delight of the whole school.

The Freshman and Senior Religion classes were treated to a very special guest for the beginning months of school while Mrs. Ausere was on maternity leave. Mrs. Ruberg was the substitute teacher for the first quarter, and she taught the classes about a variety of topics, from *Dead Man Walking* to *Jeopardy!* game show skills.

The tristate area was devastated by tornados in early March, and many towns close to Oldenburg were affected. The school reached out to those in need by raising canned goods and other donations. The students and faculty donated over 700 items, even though they were given such short notice.

Building a Strong Foundation

Joy in Prayer

OUR MISSION STATEMENT:

We, the Sisters of the Third Order Regular of St. Francis, Oldenburg, are women of prayer, committed to the Gospel values as lived by St. Francis and Mother Theresa Hackelmeier.

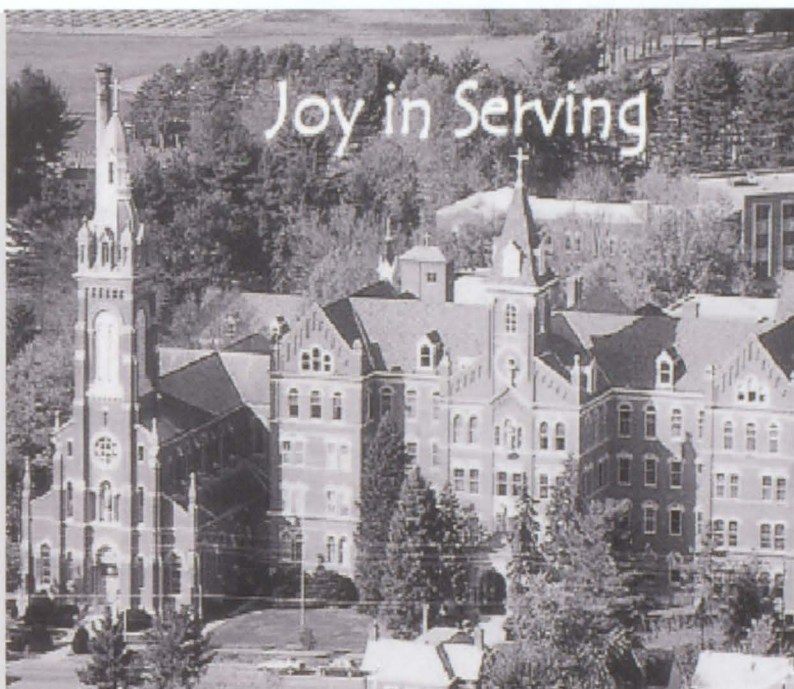

From our life in community we are sent to extend the mission of Jesus through our presence and service.

Enlivened by a spirit of justice, reconciliation and peace, we collaborate with others in responding to the needs of the world.

We fulfill these words by being women of prayer in the ministries we do and the places where we are present.

Since Vatican II opened the doors to the many needs of the world, we minister in education, parish ministry, social service, healthcare and social justice.

Joy in Serving

We sponsor the following institutions:

- Marian University
- Oldenburg Academy

Our supported ministries include:

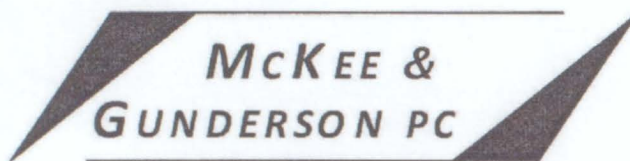

- Michaela Farm
- Oldenburg Franciscan Center
- Nia Kuumba & Prayer Lodge Spirituality Centers

We also sponsor the Justice, Peace & Integrity of Creation office. This office educates, coordinates, and promotes justice, peace and integrity of creation throughout the entire congregation and with groups inside and outside the community.

A letter from the Editor...

2011- 2012. It has been a wonderful school year full of new and exciting changes. I never thought that senior year could be so much different than the others, but it surprisingly has been. I feel as though I have become a lot closer with my class and I have opened up to new friendships. I am so glad to have the honor of being the Editor-In-Chief of this yearbook because it has given me so much opportunity to reflect on my last year at OA. However, I could not have had such a successful year alone. Many thanks go out to: The Class of 2012, for being so fun; all of my friends, for keeping me entertained, especially since I have been left as an only child this year, for the first time in my life; Sherry, for being so patient and helpful with a bunch of rookies; the entire yearbook staff, for all of the hard the work they have put in to this book and for the ability to be able to laugh the entire time; and lastly, I would like to thank Mr. Maple, for being such a fun yearbook teacher, always making us laugh, always giving us treats, and alert! always being so encouraging to make sure we do our best work and to have pride in it. I hope that you all enjoy the 2011-2012 yearbook, "Old School, New Age."
